### **§ 2 Contact for data protection issues**

The responsible party within the meaning of the EU General Data Protection Regulation, the Federal Data Protection Act and other data protection regulations is the:

MTU Aero Engines AG  
Dachauer Straße 665  
D-80995 München

### **§ 3 Personal Data**

Personal data are individual details about personal or factual situations of a specific or identifiable natural person (data subject). This includes, for example, identification details such as your name or date of birth, address and contact details such as your address, phone number, e-mail address or billing and bank details. Information with which we cannot (or can only with a disproportionate effort) establish a reference to your person, e.g. by making the information anonymous, is not personal data.

### **§ 4 General information on data processing**

#### **a) Scope**

We only collect and use our participants personal data if and to the extent needed to provide a functional website as well as our contents and services.

A further use of your personal data, especially for advertising purposes, does not take place. Your personal data will not be transferred to third parties without your consent, unless we are legally obliged to release data.

Participation in this survey is anonymous, i.e. your answers cannot be traced back to you.

#### **b) Legal basis**

If you have given your consent to the processing of personal data relating to you, this declaration of consent serves as the legal basis in accordance with Art. 6 Section 1 a) GDPR. You can revoke this consent at any time.

If processing is required to protect a legitimate interest on the part of our company or a third party and the data subject's interests, basic rights and basic freedoms do not outweigh the above interest, Art. 6 para. 1 f GDPR will serve as the legal basis for the processing.

#### c) Data deletion and storage time

Your personal data shall be erased or blocked as soon as the purpose of storage ceases to apply. However, the data may be stored if provided for by European or national laws or other statutory provisions to which MTU is subject. The data shall be blocked or erased at the end of a storage period prescribed by the aforementioned standards, unless the data needs to be stored further in order to conclude or implement a contract.

#### d) Purpose of data processing

The purpose of the survey is to provide insights into the assessment and opinion of stakeholders on sustainability management at MTU. These will be incorporated into CR management and presented in the strategy section of the sustainability report. Stakeholder expectations and demands must be included in the company's mandatory CR reporting.
